

Functional storage units

Functional furniture

Complement your Steel desking with one or more of our melamine cupboards. They come in a wide choice of models and sizes and offer filing and storage solutions for every occasion. Optional metal shelves are pre-formatted to take lateral files, while the 2 drawer filing unit comes complete with anti-tilt mechanism, allowing you to store large numbers of suspension files without fear of the unit becoming overloaded. The low cupboards and filing unit, all fitted with melamine tops, are perfect for use alongside fixed leg Steel desks.
